Specialty Tailored Cleaning and Maintenance Services

One-Time Seasonal Cleaning

No job is too large or too small. We're ready for any special assignment – from a one-time-only cleaning to detail cleaning to quarterly or semi-annual cleanings. Areas to consider include:

- Lavatories
- Windows
- Light fixtures
- Support structures/rafters
- Brass
- Other areas that need periodic or seasonal cleaning

Post-Construction Cleaning

From industrial plants, commercial office buildings and schools to commercial centers and medical facilities, we move in before you do to thoroughly clean your facility.

Carpet Cleaning

Gibb's expert technicians are trained to tackle the toughest stains and traffic patterns on every type of carpeting. Our methods enable us to customize a carpet maintenance program to meet your specifications and needs.

- Bonnet cleaning
- Host (dry) cleaning
- Capture (dry) cleaning
- Taski dry foam cleaning
- CFR (1,000 psi) extraction cleaning
- Extraction cleaning
- Deep pile lifting methods

Fabric and Upholstery Care

Gibb uses both wet and dry methods to provide the finest care of your fabric partitions and upholstered furniture.

Floor Care and Maintenance

Our proven expertise and experience enable us to take on the challenge of any surface.

We provide regular or periodic maintenance, as needed, on all types of flooring:

- Vinyl, quarry, or ceramic
- Asphalt or asbestos tile
- Wood/parquet
- Marble
- Rubber
- Specialty materials

Concrete Coatings

Our quality coatings and sealers include epoxy, clear acrylics, and impregnating sealers for:

- Industrial plants
- Warehouses
- Production areas
- Retail and offices
