## **Testimonials from Our Clients**

“For more than 30 years, Gibb Building Maintenance has been a very important component in the successful operation of the War Memorial Center. From the office staff to the cleaning crew, Gibb treats us as a partner – not just a customer – and they take great pride in presenting a clean building to the public.”

David Drent

*Managing Director, Milwaukee County War Memorial Center*

“Gibb Building Maintenance has been providing all of our daily building cleaning services, as well as special cleaning projects, since 1985. They are a very dependable and cost-effective company. We would recommend Gibb for all of your cleaning services.”

Robert A. Johnson

*Executive Vice President/COO, Johnson Level & Tool*

“We have been working with Gibb of six years and have always found them to be responsive and ready to do everything they can to meet our needs. Green Cleaning is something we wanted to implement at our properties and Gibb was right there ready to do so,. Green Cleaning has decreased the use of chemicals irritating to our customers and potentially harmful to the environment, as well as improved indoor air quality at our buildings. We are pleased with the results.”
